To our Friends and Customers

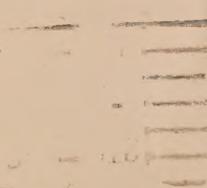

We wish to thank our many friends and customers who have patronized us during the past years. We hope that the services that we have rendered and the quality of our stock was such that you will continue to call upon us for your needs in trees, shrubs, evergreens, roses, perennials, seeds and fertilizers as listed in this PRICE LIST.

We would like to remind you that we have a grocery store across the street (GATES FOOD MART), where you can pick-up some groceries whenever you are in the neighborhood. At both places we will carry in stock Burpee and Disco flower and vegetable seed.

When you are in doubt as to what, when and where to plant, please get in touch with us. We will be glad to help you in any way that we can, without charge. We also will furnish free plans, where stock is purchased from us.

If you are short of money, find out about our plan for financing through your local bank. Such a plan would enable you to do some landscaping, that otherwise might be postponed indefinitely.

Sincerely,

E. A. GATES
